

MOUNTAINMEN & PLAINSMEN TERRITORIAL RENDEZVOUS

The Light Shines in the Darkness
JULY 20-23, 2021 - THE RANGE

The Mountainmen and Plainsmen territories have come together to rendezvous in the majestic New Mexico wilderness. It has been two long years since the frontiersmen of our great brotherhood have gathered in a time of competition, fellowship, praise and worship. Get your buckskins out and your smokepoles seasoned as we take the opportunity to share in the warmth of our fellowship.

As we prepare for the fun and foofaraw at Rendevoo, be reminded of why we get together. It will be a time for grizzled Oldtimers to mentor young men in Christian principles. It will be a time of spiritual renewal for those who are coming to the event operating on an empty tank. It will be a time to encourage each other in true friendship and Christian fellowship. At the very least, take time to view God's wonderful creation. See you fellers at Rendevoo.

GUEST SPEAKER

New Mexico Ministry Network Student Ministries Director, Austin Poper, will be the featured speaker.

SKILL EVENTS

An age-old series of challenging skill events will test the mettle of the frontiersmen willing to give it a try. Events will include different spins of the timeless mountain man standards - shooting, throwing, fire starting, games, outfits, etc.. Expect some surprises! Arrowhead merit requirements will tie into many of the events. NASP shooting and archery events will be available.

NATIONAL SCOUT COMPETITION

A competition will be held to determine the National Scout and Territorial Scout representing their respective territories. The Scout Competition is open to all Chapter Scouts.

MISSIONS AUCTION

To Give and Serve - support the Territorial Missions Projects by bidding on some very nice frontier wares and goods. Many items available in the auction will have been made by members of both territories.

CHAPTER COMPETITIONS

The Buffalo Award will be awarded to the top performing Plainsmen chapter at Rendezvous. We'll see if it will return home in NM or suffer another two years in STX. The very first Oso Grande Award will be awarded to the top performing chapter for the Mountainmen Territory.

2021 Territorial Rendezvous July 20-23, 2021 @ the Range

Range Rules

Registration - All groups shall register as they enter the Range. Range information, rules and restrictions, and event information will be provided.

Vehicle Safety - Drive slowly, less than 10 mph, on Range roads. The Event Staff will determine where vehicles are to be parked. The main vehicle parking area is between the entrance road and the Trail House. Vehicles should be parked for ease in leaving, i.e. backed in. No trail bikes, 3-4 wheelers or other similar type vehicles are permitted. Do not block roads. Do not park in grassy areas because of hot catalytic converters.

Camping Safety - See the "Range Camping Rules" for camping safety and requirements. The main approach to camping on the Range is to leave NO TRACE that you have been there.

Fire Safety - See the "Range Camping Rules" for restrictions on campfires.

Emergencies - For an emergency notify the Event Staff and the Site Manager who may call 911. In case of forest/range fire, evacuate East down the access road to Highway 55 and then proceed north or South depending on the situation. The Event Staff will meet at the Manzano Community Center (two miles South) or if not safe the Torreon Community Center (four miles North). Range Telephone (505) 384-5241. Range Address is 70 Absher Rd, County Road A001, Manzano, NM 87061.

Visiting Hours - Visiting hours are established by the Event Staff depending on the event and the associated activities. Visitors must check in at the Registration Area.

Security - Notify the Event Staff and the Site Manager of any security issue. The Range gates may be closed between midnight and 6:00am.

Firearm Safety - Firearms will only be loaded and fired at Shooting Areas under the supervision of a Range Officer. See the "Range Safety Plan for Shooting Areas" for the rules and requirements. All black powder shooters must have had a rifle safety course and have a shooters card or be under the direct one-on-one supervision of someone who has a shooters card. No handguns are allowed unless a black powder firearm is part of an outfit. Handguns are not to be discharged and there are no events for handguns. Rifles and black powder in the camping areas must be under the control of an adult.

Trees and Shrubs - Do not cut, damage or remove any material from trees even though the material appears dead. Use only down and dead material for firewood.

Liability Statement - The outpost coordinator or leader of an outpost/group must sign a liability statement for responsibility for that group. Church certificates of insurance are required for any group participating in a Range event.

RANGE CAMPING RULES

“Rangers are conservation-minded, keeping the location cleaner than it was before they arrived and leaving it as if they had never been there – leaving NO TRACE”.

Campsites

Select a well-drained campsite where you don't need to clear vegetation or level a tent site. Do not trench around tents. When breaking camp, make sure nothing is left behind. Everything packed into the camp shall be packed out. Nothing shall be buried, no grease pits or ashes. Naturalize the area by replacing rocks and scattering needles, leaves and twigs on the campsite.

Campfires

If the fire danger level is **HIGH, VERY HIGH, or EXTREME** - No fires of any kind will be permitted. Campfires will be permitted depending on the Forest Service fire danger assessments and local conditions. Campfires are permitted only in containers with bottoms so that ashes, charcoal, and unburned wood can be collected as waste. Use wood for the fire that is TWO inches or less in diameter since it tends to burn completely. Metal garbage cans are distributed around the area for fire waste. Use only water to put the fire out to minimize the waste. Stir it until it is dead out. Place the waste in the provided receptacles or pack it out. Fire extinguishing materials must be present. Use only down and dead wood, fuel from the wood yard or what you brought. Any unused fuel shall be packed out or returned to the wood yard. Stoves using propane are approved for cooking. Fires must be attended until dead out.

Trash

Bring trash bags to contain all trash. Trash will be picked up once a day. Never bury any of your trash or grease. Check for any evidence that you were there. Leave NO TRACE.

Human Waste

Use the three toilet facilities for human waste. Do not dispose of trash in the toilets.

Trees and Shrubs

Do not cut or break trees, limbs or shrubs. Do not use trees for knife, hawk, archery or rifle practice. All such practice is prohibited in camping areas and is confined to designated areas. Use only dead and down material for firewood. Leave standing-dead trees alone for aesthetic and wildlife reasons.

Water

Non-potable water will be available at the Range. It will be located in a 1250 gallon tank at the top of the camping loop. Bring all the drinking water you anticipate needing.

First Aid

Each camp shall have a first aid kit. First aid is also available at the Trail House. Report all injuries to the Event Staff and the Site Manager.
